Hot Pink Lotus Press. Paperback. Book Condition: New. Paperback. 156 pages. Dimensions: 9.0in. x 5.9in. x 0.5in. Sacred Journeys and Vision Quests is a personal memoir of sacred, mystical events which have occurred in Lois J Wetzels own life over a period of thirty years--starting with being saved during a close brush with death in Acapulco. She lavishly chronicles her trips to various known sacred sites on the planet from a powerful healing experience while climbing the iconic pyramid Kukulcan with her two young sons--to her more recent visits to even larger pyramids in Bosnia. Lois narrates a fascinating series of experiences, from camping solo at Mt. Shasta to an accidental meeting with a major player from a past life in Sedona. A white-knuckle five day trip whitewater rafting down the mighty Colorado River through the Grand Canyon with other players from past lives is particularly thrilling. Lois relates to us her mystical events in some of Englands more famous spiritual sites on major ley lines including Glastonburys Isle of Avalon, Aveburys standing stones and Wiltshires summer crop formations to surprising spiritual experiences in ordinary locations. Whether it is a miracle on a road trip, a bizarre meeting during short jaunt to the grocery store, or simply a meditative technique for looking into a mirror and seeing The Parade of Faces and viewing her own past lives, this book is a fascinating view of the world as seen through the eyes of a modern day mystic. Lois Wetzels honest, vulnerable memoir helps us to see more deeply into our own everyday life. She reminds us not to overlook the mystical in our own daily encounters, and to trust our Guidance that we, too, may be in the right place at the right time and remain open and aware so that when...
