

Killing Us Quietly: Native Americans and HIV/AIDS

Filesize: 8.35 MB

Reviews

The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.

(Prof. Corbin Hilll)

KILLING US QUIETLY: NATIVE AMERICANS AND HIV/AIDS

University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, Killing Us Quietly: Native Americans and HIV/AIDS, Irene S. Vernon, Over the past five centuries, waves of diseases have ravaged and sometimes annihilated Native American communities. The latest of these silent killers is HIV/AIDS. The first book to detail the devastating impact of the disease on Native Americans, Killing Us Quietly fully and minutely examines the epidemic and its social and cultural consequences among three groups in three geographical areas. Through a series of personal narratives, the book also vividly conveys the terrible individual and emotional toll the disease is taking on Native lives. Exploring Native urban, reservation, and rural perspectives, as well as the viewpoints of Native youth, women, gay or bisexual men, this study combines statistics, Native demography and histories, and profiles of Native organizations to provide a broad understanding of HIV/AIDS among Native Americans. The book confronts the unique economic and political circumstances and cultural practices that can encourage the spread of the disease in Native settings. And perhaps most important, it discusses prevention strategies and educational resources. A much-needed overview of a national calamity, Killing Us Quietly is an essential resource for Natives and non-Natives alike. Irene S. Vernon, of Mescalero Apache, Yaqui, and Mexicana descent, is an associate professor in the English department and Center for Applied Studies in American Ethnicity, Colorado State University. She is the author of the Native American AIDS Video Resource Manual.
