Third Edition (February 2012). Although there have been many individual accounts written about the USS Robley D. Evans (DD-552), a Fletcher class destroyer launched on 4 October 1942, no one had compiled a complete and detailed history of the ship and her men in one book. Author Michael Staton, son of one the crew members of the Evans, set out to collect any data available about this remarkable ship and its incredible men. After three years of research and writing, finally their story can be told. The ship was named after a Naval officer who began his service as an ensign during the Civil War, Robley D. Evans, also known as Fighting Bob, and he commanded one of the Navy's newest battleships when the Spanish Fleet attempted their escape from Santiago Harbor during the Spanish-American War. He had attained the rank of rear admiral by the time of his passing in 1912. The destroyer Evans rendered invaluable service during World War II, including logistic support for carrier strike forces at Saipan, logistic...
