## UNDERSTANDING MALE SEXUAL HEALTH (NEW EDITION)

[DOWNLOAD](#)

Hippocrene Books Inc.,U.S. Paperback. Book Condition: new. BRAND NEW, Understanding Male Sexual Health (New edition), Dorothy Baldwin, British-born biologist Baldwin has compiled a breezy guide to men's sexual organs and their health, covering functional, preventive, and disease issues. Less earthy in her language than James Gilbaugh's *A Doctor's Guide to Men's Private Parts* ( LJ 4/15/89) and less technical than Yosh Taguchi's *Private Parts* (Doubleday, 1989), she covers concerns from birth to old age, including circumcision, maintenance and care, hormones and drugs, sexual dysfunction, sexually transmitted diseases (including AIDS), and stress management. This work is a good middle-ground choice for its readability (although it's occasionally superficial and cutesy) and avoidance of street terminology.
