Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Spanish is often cited as one of the most beautiful languages on earth. That s because Spanish employs the use of many soft sounds in conjunction with elongated vowels and an endearing and imperative tone in the traditional tone. Spanish vocabulary has a lot of cognates which makes it a rather easy language for English speakers to pick up on. A cognate is a word which is the same between two or more languages. For instance, in Spanish, the word real is exactly the same as it is in English, it s just pronounced differently. If language learners can pick up on the differences in natural accents and learn cognates, they can speak great Spanish quickly.
