General Crozier. It is a one-story building excepting at one end, where there is a second story for storage of light material. The Chairman. What was the cost of the building destroyed by fire? General Crozier. It was very much less. That was a lightly built frame building, one story, as this is intended to be, with a shingle roof, and I don t think it cost over \$30,000 altogether. It was built at different times, so it would be a little difficult to tell what the cost was; but for the building itself I don t think the cost was over \$30,000; but I think there was in it perhaps \$65,000 or \$70,000 worth of machinery. It was not all destroyed; a good part of it was not. POWDER DEPOT NEAR DOVER, N. J. STOREHOUSES FOR...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
