This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

PRO PATRIA: A LATIN STORY FOR BEGINNERS

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Preface: THE idea on which my Ora Maritima and its sequel, the present volume, are based, is that an interesting narrative may be a better vehicle for teaching the elements of a language than a collection of isolated grammar sentences, provided that the interesting narrative is so constructed and graduated as to constitute in itself a basis for the systematic study of grammar. My object, then, has been to write a book which should not only appeal to the minds of pupils through the interest of its subject matter, but also form as complete a grammatical ladder as the driest of dry exercise books. The scene is laid in a country house on the coast of Kent, and afterwards at Winchester, and the time of the action is the period from September 1899 to June 1900. I have thus been enabled to give unity of action to the two parts into which the narrative falls. The first part is taken up with a study of Roman Britain in connexion with a visit to Richborough Castle; the second with the Boer War, the first news of which arrives soon after the conclusion of the summer holidays. It is my hope that my young readers may find in the first part a more vivid picture of the condition of Britain under the Romans than is contained in most school histories of England; and in the...
