## LITTLE RED BAT

Sylvan Dell Publishing. Hardcover. Book Condition: New. Christina Wald (illustrator). Hardcover. 32 pages. Dimensions: 10.1in. x 8.6in. x 0.6in. Red bats are the only bat species that can hibernate or migrate. Should this solitary little bat stay or should she go? That's the question the little red bat ponders as the leaves fall and the nights get colder! Some animals, such as the squirrel, tell her to stay. But what about the dangerous creatures that hunt red bats in winter? The sparrow and others urge her to go. But where? Carole Gerber takes young readers on an educational journey through one bat's seasonal dilemma in *Little Red Bat*. Imaginative illustrations by Christina Wald give little red bat charm and personality, and children will be waiting and wondering what will happen next. Will the little red bat stay put or migrate south for safety and warmth? The For Creative Minds educational section includes: Match the Bat Adaptation; Bat Fun Facts; How Animals Deal with Seasonal Changes; Red Bats and Seasonal Change; Bat Life Cycle Sequencing Activity. This item ships from multiple locations. Your book may arrive from Roseburg, OR, or La Vergne, TN. Hardcover.
