Brand New Book ***** Print on Demand *****.Excerpt from The Progress of Poesy: An Inaugural Lecture, Delivered in the Sheldonian Theatre, on the 10th March 1906 On the 26th of December, 1754, Gray put the last touches to the famous Ode afterwards published by him under the name which I have chosen for the title of this lecture. The scheme of a history of English poetry had then already been long in his mind. Some twelve or fifteen years later he finally gave it over to the hands of a younger poet and scholar, Thomas Warton, Fellow of Trinity, who himself, just one hundred and fifty years ago, became the seventh occupant of this Chair. It has been left for Warton's distinguished successor, Mr. Courthope, to take up and carry out the scheme which had first been formulated by Pope. Gray left no contribution towards it beyond some scanty notes and the many touches of luminous criticism scattered through his correspondence. Warton, with more industry but less concentration and inferior genius, carried out only a fragment of the vast plan. But the time...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
