Terra del Piemonte. Antichi segni dell'uomo, una presenza viva e forte nel paesaggio piemontese di ieri e di oggi.

By Molinengo, Aldo

Priuli & Verlucca Editori, 2008. Book Condition: new. Scarmagno, 2008; ril., pp. 192, ill., cm 14x21,5. (Paradigma). In Piemonte l'uomo ha saputo modellare l'ambiente con ragione e saggezza, formando un paesaggio armonico con i vari aspetti della natura circostante. Nel passato ha lasciato infiniti segni attraverso i tanti utilizzi della pietra, dell'acqua e della terra, dimostrando che il saper vivere voleva dire soprattutto conoscere e usare con attenzione il territorio, adattando a rocce, terreno, clima e vegetazione ogni suo gesto. Per molti secoli ha tramandato da una generazione all'altra una terra ragionata e una cultura derivata da tutte le sue semplici azioni, non solo dedicate al lavoro ma anche alla festa. In questo particolarissimo saggio ritroviamo raccontati e spiegati tutti questi segni; nella loro presenza, ancora viva e forte nel paesaggio di oggi, ritroviamo la nostra storia e le nostre profonde e salde radici nella terra.
