While recovering he hears on the news of a young girl brutally assaulted and murdered, when the police fail to catch the perpetrator Victor plans to avenge the girl. His plans for revenge go well until the expertise he learned in the SAS brings him to the attention of the wily Chief Inspector Krogger, the head of a crime unit investigating a string of murders in Melbourne. The Commander, the head of ASIO hears of Victor's special skills and is keen to have Victor working for them, so he devises a cunning plan to free Victor of police suspicion. Eventually Victor's arrival at ASIO is just in time to prevent a well planned terrorist attack on a football match at the MCG. ASIO is badly hurt when a mole steals some vital files from their impregnable computer system. Victor's special talents are again called for.
