BONE MAP: POEMS

Milkweed Editions. Paperback. Book Condition: new. BRAND NEW, Bone Map: Poems, Sara Eliza Johnson, Martha Collins, Sara Eliza Johnson's stunning, deeply visceral first collection, Bone Map (2013 National Poetry Series Winner), pulls shards of tenderness from a world on the verge of collapse, where violence and terror infuse the body, the landscape, and dreams: a handful of blackberries offered from bloodied arms, bee stings likened to pulses of sunlight, a honeycomb of marrow exposed. "All moments will shine if you cut them open. / Will glisten like entrails in the sun." With figurative language that makes long, associative leaps, and with metaphors and images that continually resurrect themselves across poems, the collection builds and transforms its world through a locomotive echo--a regenerative force--that comes to parallel the psychic quest for redemption that unfolds in its second half. The result is a deeply affecting composition that will establish the already decorated young author as an important and vital new voice in American poetry.
