FREEDOM S PATH: THE DANCING SOUL

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The journey to freedom is a dance of the spiritual-Self or soul. We come to play in this material world with total freedom, but we have confused the playground with the Reality. And because of this confusion, we identify ourselves with the material ego-self with all its limitations. (From Chapter Seven). Freedom s Path: The Dancing Soul is an inspiring and unusual analysis of freedom and free will from the point of view of spiritual mysticism. Invoking a serious and thought-provoking tone that still retains an easy comprehension, Dr. Phil Nuernberger uses everyday and practical terminology in order to show readers that freedom is the natural expression of the absolute free will of the spiritual self. Highlighting the universal human core within all of us, this illuminating guide explores the true merits of freedom and its origins. Freedom is not an academic concept, a political reality, or a religious dogma. It is an evolutionary spiritual reality, the living expression of Divinity in the material world. This spiritual force inexorably moves us, as individuals, cultures and nations, toward fulfillment. (From the introduction). Freedom is an unstoppable force that cannot be given or taken away. An irresistible power that has its source in the spiritual dimension of every human being, freedom has been interpreted in a number of different ways throughout history. However, this enlightening new spiritual guide urges readers to explore freedom without the limitations of religious, philosophical, psychological, or scientific materialistic assumptions. Instead, Dr. Nuernberger turns to the experimental evidence of the inner spiritual sciences accumulated over thousands of years to explore the origins of free will and freedom. What we are looking for is not a philosophical...
