Paperback. Book Condition: New. Paperback. 121 pages. Whatever became of the youth of the 60s, the turbulent era of sex, drugs and rock and roll Kid Me Not, a new collection of intimate stories by women from the first generation ever to have access to The Pill, offers a unique perspective on the decade before Roe v. Wade, when free love wasn't always free. As the women's movement spread, these women faced a future of extraordinary possibilities seen by today's youth as commonplace. These writers' stories are universal: they fell in love, most married, some divorced. Others divulge, for the first time, details kept hidden nearly five decades. Each recognized early the irresistible urge to defy tradition. They no longer felt obligated to follow in the footsteps of their mothers. Indeed, they no longer felt obligated to be mothers. In Kid Me Not with Foreword by Elizabeth Gilbert you'll discover how everyday women, childfree by choice or circumstance, created an array of fascinating, fulfilling lives. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
