

Financial Intelligence for Youth: Empowering You to Handle Money Intelligently

By Tiffany Tang

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.By applying the knowledge and tools presented in this book, you will learn to manage money wisely and develop good financial habits; and these sound financial habits will in turn become your building blocks for a secure future. What are some of the benefits you will be getting? 1. Budgeting - this book provides you step-by-step guides to create your own personal financial statement. This is an important skill that even adults lack. It is also an often-used skill by Managers and Investors to understand a company's financial health. This will be a very useful tool for fundamental analysis for investment in stocks, mutual funds, REITs, bond funds and etc. 2. Home mortgage calculation - properties have always been perceived as one of the most lucrative investment assets. Especially for the newly graduated, you wish to have your own property soon. When you learn to calculate the cost in investing in a property (this website also provide you a free mortgage calculator under the Resources page), you'll understand the available investment options that will make your...

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
