Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Girl Who Could Sing with the Birds is the third book in The Girls Who Could Series. In it, we explore the world through the eyes of a young Rachel Carson, the author and biologist who inspired the environmental movement that gave birth to Earth Day. Rachel Carson teaches us that every life on our planet is precious, and that science should work with nature for the good of all. Together, we can keep the world a beautiful place. The Girls Who Could is a fun, colorful series of stories about real women who have made a difference in the world through inspired action. By giving young girls examples of women who are doing amazing things, children grow up with a template of achievement upon which to grow and expand their own dreams and goals. The simple drawings of children their own age and fun, rhyming prose helps kids connect easily with the message in each story.
