Tools and Their Uses

By United States Bureau of Naval Personnel

Dover Publications Inc., United States, 1973. Paperback. Book Condition: New. New edition. 231 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you have trouble with tools find that they wear out too quickly, find that you can't decide which tools to buy or which tools to use for a specific job, find that little things continually go wrong? The only way to learn to use tools, of course, is by using them, but first you have to know which tools to use and why. This manual, originally prepared for the use of naval personnel, was designed to present the basic hand and power tools that the ordinary person is likely to use. Through a wealth of diagrams, clear explanations, safety tips, and operating instructions you will soon learn the basics of choosing tools and using them as they were meant to be used. Nearly every hand tool you are likely to use around the house is described in the first chapter: hammers, wrenches, screwdrivers, wood saws, planes, wood chisels, metal chisels, dies, drills, files, hacksaws, punches, reamers, taps, clamps, vises, pliers, knives. Chapter two covers the common power tools: drills, grinders, sanders. Chapter...
