This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

HERMENEUTICS. A ROAD TO INTERCULTURAL DIALOGUE AND COEXISTENCE

GRIN Verlag GmbH Jun 2015, 2015. Taschenbuch. Book Condition: Neu. 211x144x7 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2015 in the subject Philosophy - Theoretical (Realisation, Science, Logic, Language), , language: English, abstract: Our contemporary society is marked with both positive and negative elements. On one hand, all world cultures want to develop into a contemporary world civilization heralded by the current and sophisticated information and communication technologies that have permeated through different social-cultural and political-religious realms. In this socialization process, there is the question as to if there is a proper dialogue among different cultures and cultural mindsets before accepting some cultural contents from another. In this article, I discuss three main points which have got to do with requisites for an intercultural socialization process based on the understanding of one's own culture, the language use, and the understanding of a culture's symbolism. It is then after a well established interpretive processes leading to self-awareness as persons in a culture that people of a given culture can open up to the others for a for and coexistence. This is a challenging issue as some culture which consider themselves as superior to others may manipulate the process or simply requires that other cultures assimilate their style of life. Nevertheless, hermeneutics as a science of interpretation serves a useful tool in dealing with inter-cultural exchange processes within the realm of the symbolic language use and the power of symbolism it shrouds. The Word hermeneutics comes from a Greek Word hermeneuein, which means to interpret (Hernandez, 2008), a task proper to human beings in order to meaningfully understand the world they inhabit. Gonzalez (1996: 146) holds the same thought when he asserts, 'on the basis of experience, and on the prevention...
