Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Seriously weird brownies. Lovable loser Chris waits tables by day and dreams of making something better of himself by night. But, under the almighty, oppressive rule of The Board and their divisive caste system, its nearly impossible. That is until his super-geek pal and fellow waiter, Forklift, hits upon a foolproof scheme: steal their employers ultra-popular, top secret recipes and sell them on a black market internet site. Its all fun and games until the mysterious death of a local hacker shatters their surefire plan, sending them on a fast-paced adventure through the citys seedy underground, where they hope to salvage whats left and avoid capture by the Board Agents at all costs. Nobody comes back from that. Nobody. GOING SHOGUN is a humorous novel, blending the best of dystopian fiction with suspense and mystery that has kept readers guessing until the final pages. This item ships from La Vergne, TN. Paperback.
