*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## JAVANESE GENTRY

Lontar. Paperback. Book Condition: New. Paperback. 398 pages. Dimensions: 8.4in. x 5.5in. x 1.1in. In my mind rose a misty picture of a little girl in a floral dress. As for her face: nothing. I could only hope that she had been pretty. I sat overcome. What a procession of developments in one day! Only that morning I had left Madiun; at midday I was wobbling on a buggy past an ocean of rice fields; tonight, suddenly, I had been renamed by my parents and handed a wife. Thus begins Sastrodarsono's life, returning to his village as a newly-appointed schoolteacher, and by virtue of that position, a member of the priyayi - functionary gentry awesomely elevated above the peasantry of his origins. From those most traditional of Javanese institutions - change of name and a virtually imposed marriage - he moves on with his bride to found a line of modernizing generations active across the whole span of recent Indonesian history: the 20th century late-colonial period, Japanese occupation, war of independence and two decades of social disorder ending in the mid-1960s with the rise of Suharto's authoritarian New Order government. The ideal of gentrification threads through this saga, both in the implicit concerns of a variety of characters and in the hopes of wretched villagers for whom the literacy necessary to approach that higher status is largely a forlorn dream. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
