BO AKU, UNDISPUTED KING OF THE FOREST

Crossroad Press, United States, 2015. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Bo Aku, King of the Forest and other Stories is an adaptation of some sixty myths and legends collected in Africa with a research grant from the Southern Education Foundation. The stories describe the experiences of children and parents confronted by a gorilla and lion in the African jungle. They are eclectic, rich in moral values, humorous, suspenseful, and contain wisdom. They seek to enlighten the reader about Bantu African mythology and other ways of reasoning. They open the door to an enchanted universe where the child learns that every evil phantom has its opposite that is more powerful and worth imitating. The legends and folktales are set against the backdrop of Bantu culture, steeped in mysticism and logical reasoning that date back to the 12th Century A.D., when interdependent villages existed in the grasslands and mountains of the black tribes in the Benue and Adamawa regions, a part of what is known today as West Africa. Chad, Gabon, Nigeria, Benin, Senegal, Ivory Coast, and Mali are among the twenty-two countries in northwest Africa.
