Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sharon Weston is an up-and-coming young advertising professional who has struggled through a broken relationship with her controlling mother, the breakup with a jealous, unfeeling boyfriend, who functioned as her mentor, and endured the challenges of mastering a new profession. She travels to bucolic Lancaster County, known as PA Dutch Country, to begin a business relationship with a new customer. While their church preaches separation from the world, they find that it's become increasingly difficult to not only thrive, but to even exist, without contact with the English outsiders. Anna, after having two difficult births of her two children, is forced by her church leaders to stop taking the birth control pills that a doctor prescribes to help her gynecological difficulties....
