WHO LOST AMERICA?: CAN AMERICA'S DEMOCRATIC IDENTITY AND GOVERNMENT SURVIVE OUR ETHICAL, POLITICAL AND ECONOMIC FAILURES

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Bromwell Ault is an essayist and a moralist. He presents here a group of essays examining the changes and weaknesses he has seen growing in American society over the past half century. Central to his thesis is the prospect of institutional failure as American politics and society break down from multiple causes. One cause is population growth. Author Ault, a retired businessman, has dramatically traced the process by which the US has been brought to a state of moral and financial dysfunction in a new book which provides a strong wake up call to all citizens. --- Donald A. Collins, Washington, DC, author and journalist, 5-12-2011 Bromwell Ault authors a unique book from an even more profound perspective. His four score years have given him a front row seat to the rise and demise of the United States of America. Whether this civilization understands its dilemma or not, Ault clearly identifies every aspect of America's current predicament. His compelling prose connected to basic realities renders an adroit understanding of what America faces and what actions her people must take if future generations expect to enjoy viable...
