Excerpt: . . . in Sheffield imply that in ancient times there were streets in that town which could only be traversed by foot passengers. For Waingate is wagon street, and is the road which leads to the old bridge crossing the river. The name implies that there were other streets through which wagons could not pass. Fargate means² public street or driving street, and implies the same thing. It is obvious that in old cities the larger streets would lead to the bars or gates, as they do, for instance, to the four gates of York and Chester. Here the plan of the Roman camp, with its via principalis and its four gates, is followed. In the Roman provincial towns there were also streets which could only be traversed by foot passengers. At Pompeii the narrow streets are practically blocked by single large stones in their centres; the broader streets are crossed by rows, containing from two to five stones. Some twenty-five years before the destruction of Pompeii 1 Thornbury, *A Tour Round England*, 1870, ii. 36. 2 From O. N. far, means of passage, and gata, a road. Compare O. N. far-vegr, a track, road, Swedish farwccg, via publica; O. E. far, passing, transit. The author here desires to correct a former opinion on this point. Compare the German fahren, to drive. **STREETS FOR WAGONS AND OTHERS** 99 Claudius forbade travellers to drive in carriages through provincial towns. Heavy burdens were carried on the backs of...
