iUniverse, United States, 2008. Paperback. Book Condition: New. 221 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This cookbook was created out of my own interest and desire to develop tasty, healthy easy to prepare meals and snacks that accommodate all of my sensitivities and allergies. Which means they must be; gluten free, wheat free, dairy free, sugar free, caffeine free, preservative, additive and chemical free. It is overwhelming to be told your regular eating habits have to be altered and many people simply don't have a lot of time to be creative in the kitchen. I found there were not many recipes available to help me with all of the sensitivities I had developed and realized there must be other people like me trying to come up with tasty healthy food to enjoy. I have created several quick and simple recipes that provide very healthy and flavourful dishes. There is a wide variety from snacks to full meals and these dishes are sure to please your family and even impress your friends without being difficult or too costly. Some ingredients may be new and sound foreign but they are surprisingly easy to find and I have provided tips on many recipes that assist with preparation as well as where to locate many of these items.
