*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Locked Ward: Memoirs of a Psychiatric Orderly, Dennis O'Donnell, Dennis O'Donnell started work as an orderly in the Intensive Psychiatric Care Unit of a large hospital in Scotland in 2000. In his daily life he encountered fear, violence and despair but also a considerable amount of care and compassion. Recounting the stories of the patients he worked with, and those of his colleagues on the ward, he examines: the different major mental disorders - their symptoms and manifestations; the various methods of treatment - medication, therapy and conversation; how religion, sex, wealth, health and drugs can bear influence on mental health; and the prevailing attitudes to psychiatric illness - the authorities, the professionals & society. What emerges is a document of humanity and humour, a remarkable memoir that sheds light on a world that still remains largely unknown and hugely feared.
